Sedgwick County Assisted Living Directory 2018/2019

The attached list provides information for assisted living facilities in Sedgwick County. Assisted Living units are designed to offer support services that help maintain privacy, freedom and independence. Assisted Living communities and Home Plus housing usually provide their residents with an individual living unit with a bathroom and kitchen and different degrees of personal assistance such as bathing, medication, monitoring and housekeeping. Assisted Living communities and Home Plus housing are licensed and approved by the Kansas Department of Health and Environment (KDHE).

***Each community has its own application process, rules and regulations and maintains its own waiting list.**

If Home and Community Based Services (HCBS) assistance is indicated, be aware that this program subsidizes the costs of personal care such as bathing, dressing or household tasks such as house cleaning or laundry. The program DOES NOT assist in paying the rent for the room or the cost of the food. In order to qualify for the HCBS program a person must be eligible for Medicaid/KanCare benefits. Individuals must meet the following criteria.

Be 65 years old.

Visit www.kdheks.gov Kansas Department of Health and Environment for changes effective January 1st, 2016 on how to apply for state assistance.

Call KanCare Clearinghouse 1-800-792-4884 with questions about eligibility guidelines for applying.

Meet the KanCare long term care threshold based on information from the Uniform Assessment Instrument (UAI).

Refer to this list for specific provisions and be aware that amenities at the properties may change without notice. As the recipient of this listing you are responsible for contacting the property to inquire about the availability and waiting lists. This information is subject to change.
