Assisted Living Directory
2007

The attached list provides information on assisted living facilities in Sedgwick, Harvey, and Butler Counties. Assisted Living units are designed to offer support services that help maintain privacy, freedom, and independence. Assisted Living facilities and Home Plus homes usually provide their residents with an individual living unit with a bathroom and kitchen and different degrees of personal assistance such as bathing, medication monitoring, and housekeeping. Each complex has its own application process, rules and regulations, and maintains its own waiting list. Assisted Living Facilities and Home Plus homes are licensed and approved by the Kansas Department of Health and Environment (KDHE).

If Home and Community Based Services (HCBS) assistance is indicated be aware that this program subsidizes the costs of personal care such as bathing, dressing, or household tasks such as house cleaning or laundry. The program **does not** assist in paying the rent for the room or the cost of food. In order to qualify for the HCBS program a person must be eligible for Medicaid benefits. Individuals must meet the following criteria:

- 1) Be 65 years old.
- 2) Meet the SRS Medicaid income eligibility guidelines.
- 3) Meet the Medicaid Long - Term care threshold based on information from the Uniform Assessment Instrument (UAI).
