Every year, the Saturday before Thanksgiving, the **American Foundation for Suicide Prevention** sponsors the **National Survivors of Suicide Day**.

This event provides an opportunity for those who have lost someone to suicide to come together for support, healing, information and empowerment.

This year's 10<sup>th</sup> annual conference links simultaneous survivor conferences throughout the country and internationally. "It is a day of remembrance that provides survivors with a unique avenue to connect with others who have survived this tragedy of suicide loss."

This year's event, hosted by the **Sedgwick County Suicide Prevention Task Force**, will also feature a local panel of experts.
